OLYMPIC NURSERY, INC.

OUR WARRANTY

We provide a one year warranty on any tree or shrub that we install, provided that a watering system is in place. This could include temporary drip irrigation or 'gator' type water bags, or a regular watering regimen suitable for the tree(s) and soil conditions. If a tree dies, a credit will be issued, equal to the original purchase price of the tree. The credit can be used for a replacement tree of a similar size and species, or other size and species. Charges associated with delivery and planting of the replacement tree(s) are the responsibility of the purchaser. Additional information about monitoring the soil moisture of your soil can be found in our video tutorial Composting and Watering.
